## *Shop Local*

Christmas season is rapidly approaching. Here's what happens when you "shop local."

**1. More of your money will be kept in the Blanchard economy:** For every \$100 you spend at a locally owned businesses, \$68 will stay in Blanchard. What happens when you spend that same \$100 at a national chain? Only \$43 stays in the community.\*

**2. You embrace what makes Blanchard unique:** You wouldn't want your house to look like everyone else's in the U.S. So why would you want your community to look that way?

**3. You create local jobs:** Local businesses are better at creating higher-paying jobs for your neighbors. When you

shop locally, you help create jobs for teachers, firemen, police officers, and many other essential professions.

**4. You help the environment:** Buying from a locally owned business conserves energy and resources in the form of less fuel for transportation and less packaging.

**5. You nurture community:** Local business owners know you, and you know them. Studies have shown that local businesses donate to community causes at more than twice the rate of chains.

**6. You conserve your tax dollars:** Shopping in a local business district means less infrastructure, less maintenance, and more money available to beautify the community. Also, spending locally instead of online ensures that your sales taxes are reinvested where they belong in Blanchard!

**7. You create more choice:** Locally owned businesses pick the items and products they sell based on what they know you like and want. Local businesses carry a wider array of unique products because they buy for their own individual markets.

**8. You take advantage of their expertise:** You are their friends and neighbors, and locally owned businesses have a vested interest in knowing how to serve you. They're passionate about what they do. Why not take advantage of it?

**9. You invested in entrepreneurship:**

Creativity and entrepreneurship are what the American economy is founded upon. Nurturing local business ensures a strong community.

**10.** You made Blanchard a destination: The more interesting and unique Blanchard community, the more we will attract new neighbors, visitors and guests. This benefits everyone!

## Thanksgiving

Our modern Turkey Day has its origins in two very different holidays: the harvest home feast and the formal day of thanksgiving proclaimed by church or government authorities in gratitude for a particular event, such as a military victory. Very few days of thanksgiving coincided with harvest celebrations. Thanksgiving Day began in Plymouth Colony in 1621, when the

Pilgrims gave thanks for their survival and a good first crop.

In 1863, President Abraham Lincoln set aside the last Thursday in November for a national celebration of Thanksgiving. (In 1941, the U.S. Congress decreed that Thanksgiving should fall on the fourth Thursday of November.)

Roast turkey, stuffing, cranberry sauce, vegetables, and pumpkin pie were the main dishes of the New England harvest home feast and became popular because of their supposed connection to the Pilgrims.

## Veterans Day

Known as Armistice Day, commemorating the signing of the agreement that ended World War I at 11:00am, on November 11, 1918, this federal holiday was changed to Veterans Day in 1954 by Congress.

At that time, it became a day to honor all the men and women who have served in the armed forces of the United States. Each year, special ceremonies are held around the nation honoring our Veterans. Please consider spending some time on-line learning more about our nation's true HEROES [the American Veteran] who have served our country!
