IRS Tax Deadline

The Treasury Department and Internal Revenue Service announced today that the federal income tax filing due date for individuals for the 2020 tax year will be automatically extended from April 15, 2021, to May 17, 2021. The IRS will be providing formal guidance in the coming days.

Individual taxpayers can also postpone federal income tax payments for the 2020 tax year due on April 15, 2021, to May 17, 2021, without penalties and interest, regardless of the amount owed. This postponement applies to individual taxpayers, including individuals who pay self-employment tax. Penalties, interest and additions to tax will begin to accrue on any remaining unpaid balances as of May 17, 2021. Individual taxpayers will automatically avoid interest and penalties on the taxes paid by May 17.

Individual taxpayers do not need to file any forms or call the IRS to qualify for this automatic federal tax filing and payment relief. Individual taxpayers who need additional time to file beyond the May 17 deadline can request a filing extension until Oct. 15 by filing Form 4868 through their tax professional, tax software or using the Free File link on IRS.gov. Filing Form 4868 gives taxpayers until October 15 to file their 2020 tax return but does not grant an extension of time to pay taxes

due. Taxpayers should pay their federal income tax due by May 17, 2021, to avoid interest and penalties.

The IRS urges taxpayers who are due a refund to file as soon as possible. Most tax refunds associated with e-filed returns are issued within 21 days.

Oklahomans now have until **June 15, 2021** to pay their 2020 individual and business income taxes, and their first quarter 2021 estimated income tax payments. As a result of the recent disaster declaration issued by FEMA, the IRS announced the tax deadline extension for all individuals who reside or own a business in all of Oklahoma's 77 counties to provide relief for those affected by February's historic winter storms. Following the announcement from the IRS, the Oklahoma Tax Commission ordered the payment deadline extension to provide further relief to Oklahoma

taxpayers. The Oklahoma Tax Commissioners elected to adjust the payment deadline extension from April 15 to June 15 for all individuals that reside or own a business in Oklahoma.

Due dates for other tax types, including sales and withholding, remain the same. For more information, visit the Oklahoma Tax Commission website.
